THURSDAY 8 AM - 5 PM NOVEMBER 3, 2022 For Early Arrivals

See page 6-7 insert for Thursday NCMIC Speakers & Registration.

THURSDAY EVENING NOVEMBER 3, 2022 For Early Arrivals

6:00 – 9:00 p.m.

Effective Documentation Using Available Technology

Presenters: David Boll, D.C., C.P.C. & John L. Cerf, D.C., C.P.C.

Description: This course will help will discuss available apps, software and technology services that allows for safe, secure, and time saving tools regarding clinical documentation and report writing. The presentation will also discuss the current technology for virtual meetings and presentations.

NOVEMBER 4, 2022 Main Conference Begins

7:00 – 8:00 a.m.

Registration and Full Breakfast Buffet Provided to Registered Conference Attendees

8:00 – 10:00 a.m.

Compliance Implications of the No Surprises Act: Now and Next Year

Presenter: Kathy Mills Chang, MCS-P, CPCO, CCPC, CCCA

Description: The Consolidated Appropriations Act of 2021 was enacted on December 27, 2020, with aspects of the No Surprises Act portion enforced on January 1, 2022. It resulted in providers nationwide scrambling to identify and implement the necessary changes. Unfortunately, even as the year progresses, providers are putting their practices at risk by ignoring the part of the rule that applies to them. The rule is complex - aspects of it are in a transition stage and portions are being challenged by medical associations. This presentation will help the attendee understand and adopt best practices to comply with regulatory standards.

10:00 – 12:00 Noon

TENS: Best Practices for Clinical Use, Documentation, Coding, & Billing

Presenter: T. Matthew Christopher, D.C., C.P.C.

Description: The participants will examine research and clinical guidelines related to the risks, benefits, and appropriateness of TENS units. In addition, suggestions on improvements for documentation red flags and current efforts to combat fraud, waste, and abuse related to TENS units will be discussed..

12:00 – 1:00 p.m.

Lunch Provided to Registered Conference Attendees

1:00 – 4:00 p.m.

Daubert Challenge

Presenter: Michael Mathesie, D.C., D.A.C.B.R, D.A.B.F.P.

Description: This course focuses on the requirements for a chiropractic physician to be accepted as an expert witness for any medico-legal case. The course will discuss the Federal Rules of Evidence, explain certain state statutes regarding expert testimony, and review the case law which became the basis for the Daubert Standard. Risk Management tools will be learned to prevent errors as a clinician and expert witness. The clinician will understand what is expected of them if they want to be chosen to testify for their patient or as an expert witness.

4:00 – 6:00 p.m.

OIG Operations & Investigative Considerations

Presenter: Eric Rubenstein, Director, Litigation, Fraud, Waste, & Abuse

Description: This presentation will explain the role of the OIG in healthcare fraud investigations, how data plays an important role in investigations, and what proactive measures are available to support proper billing and coding of claims to payers.

FRIDAY, NOVEMBER 4, 2022 *continued*

6:00 – 8:00 p.m.

Social Hour with Appetizers

Dr. David Cox Memorial Gathering

Jahn-Bowerman Award Presentation

Join us to meet and network with fellow conference attendees as we honor the late Dr. David Cox and present the 2022 Jahn-Bowerman Award for Outstanding Leadership in Expert Witness Education.

SATURDAY, NOVEMBER 5, 2022

7:00 – 8:00 a.m.

**Full Breakfast Buffet Provided
to Registered Conference Attendees**

8:00 – 10:00 a.m.

Presenter: Steve Yeomans, D.C., F.I.A.N.M.(US)

Description: Appreciate past and present evidence guidelines and treatment algorithms used by DCs, PTs, and other NMSK providers using therapeutic tools in the management of neck pain, headache, and low back pain. Evidence supporting management of non-MSK conditions will also be discussed. There will be audience participation in an active discussion of how guidelines fit into the IME and consulting process.

*Clinical Guidelines &
Care Algorithms for
Chiropractors*

10:00 – 12:00 p.m.

Registration Information

You will be making your own room reservations directly with the hotel Reservations Department. To do so, call the hotel directly at (630) 573-8555. Group reservations are not handled through the Central Reservation System. Be sure to clearly identify the event/group when making reservations to qualify for special group rate. Your reservation must be received by the cutoff date. Any reservations after that time will be accepted on a space and rate availability basis. A deposit equal to one (1) night's stay is required to hold each individual's reservation. Upon check-in, the deposit will be applied to the final night of the reserved stay.

Registration Types

You must be a member in good standing at the time you register to take advantage of the discounted member fees.

Join and Register

You can become an ACCC/CFS member and register for the conference at the reduced member rate.

Benefits of membership include:

- Discounts on educational programs and publications
- Certification program
- Access to web site
- And more!

Cancellation Policy

All cancellations must be made in writing, fax or e-mail. Should a guest cancel a reservation, his/her deposit will be fully refundable if the cancellation is received in writing not less than 48 hours prior to arrival. If cancelled via telephone a cancellation number must be obtained.

Conference Changes

ACCC/CFS reserves the right to substitute faculty or reschedule speaker times due to unforeseen circumstances

CME Credits

CME credits are offered through National University of Health Sciences. Attendance will be verified through attendance sheets. \$10 fee for Attendance Certification is applicable. NUHS is responsible for submitting information for state approval.

Hotel Information

A block of rooms at a special discount rate of \$119.00 (single), plus state and local taxes, are being held at Chicago Marriott Oak Brook at 630-573-8555. Ask for ACCC group rate.

Airport Transportation

Chicago Marriott Oak Brook is just 14 miles from O'Hare Airport. **Transportation to/from the airport is available through American Taxi and other local vendors.**

Deductibility of Expenses

Consult your tax adviser for information regarding deductibility of registration & membership fees.

Questions?

Please call the ACCC office at 856-845-0020 if you have any questions.

**Annual Meeting of the American College of Chiropractic Consultants,
And Council on Forensic Sciences**

OPENING DAY PROGRAM WORKSHOP

Thursday, November 3, 2022 from 8:00 a.m. to 5:00 p.m.
Chicago Marriott Oak Brook, 1401 W 22nd Street, Oak Brook, IL

Workshop Title: Risk Management & Low-Tech Rehabilitation

Instructor: Mario Fucinari, D.C., C.P.C.O., C.P.P.M., C.I.C.

Workshop Description: The COVID pandemic has resulted in a population of individuals recovering from lifestyle alterations and infections. The pandemic has compounded spinal and extremity problems, injuries, and deconditioning, too. Chiropractors must be aware of the scope of the problems and ways to avoid medical errors and mistakes. The goal of the course is to provide chiropractors and their staff with strategies on how to decrease medical errors, optimize communication, and increase patient quality of care.

Course Learning Objectives

- + Understand the the common errors and causes of litigation in the chiropractic office.
- + Understand government regulations and industry trends. Establish procedures for consultation and examination essentials in the treatment plan after Covid19 exposure to uncover functional loss.
- + Integrate outcome assessment tools to develop treatment goals.
 - + Learn documentation guidelines and requirements. Properly use the new E/M Guidelines in the chiropractic practice .

Workshop Title: Psychologically Informed **Chiropractic Practice**

Instructor: Michael J. Schneider, Ph.D., D.C.

Workshop Description: This presentation will provide a review of the evidence, definitions and medical necessity for therapeutic exercise and how to address the key issues associated with the supervision of rehabilitative exercise.

Course Learning Objectives

- + Understand the complex interactions between pain, disability and psychosocial factors.
 - + Identify the 5 key psychological domains that have been shown to complicate or adversely affect clinical outcomes in the management of spine related disorders.
 - + Recognize the complex psychological domain of perceived injustice and its relevance to medico-legal claims.

REGISTRATION FORM – THURSDAY ONLY

8 hours of continuing education courses in one day. The first four-hour course titled, **Risk Management & Low-Tech Rehabilitation**, will cover common errors and causes of litigation in the chiropractic office, government regulations and industry trends, procedures for consultation and examination essentials in the treatment plan after COVID-19 exposure to uncover functional loss, integrating outcome assessment tools to develop treatment goals, learning documentation guidelines and requirements, how to properly use the new E/M Guidelines in the chiropractic practice, and procedures to restore function. The second four-hour course title, **Psychologically Informed Chiropractic Practice**, will discuss the complex interactions between pain, disability and psychosocial factors, identify the 5 key psychological domains that have been shown to complicate or adversely affect clinical outcomes in the management of spine related disorders, and help recognize the complex psychological domain of perceived injustice and its relevance to medico-legal claims.
